Dear Mr. Evanoff:

The Region 32 National Regional Planning Committee is refiling the Region 32 Public Safety 700 MHz Radio Communications Plan for General Use Spectrum in the 769-775/799-805 MHz band for approval with amended information to address the agreement with Canada.

Channels 1-12 and 949-966 have been corrected to reflect that these are United States/Canada Shared. Channels 301-302 are corrected to reflect that these channels are primary to Canada rather than the United States. The amended Sections are 6.6, 6.7, 8.3 and the addition of Appendix L.

If there are any questions please contact me at mlynk@nd.gov or phone number 701-328-8150.
